Note of Thanks:

Dear Ring 9

First, let me thank you for the honor of magician of the year. Looking at the trophy and seeing the names on it from past winners really signifies what a great honor it is to be apart of. I wished I could have been at the banquet however I was in Cin. Ohio at their banquet performing. I would like to tell you how I found out I won. I was to go on stage at 9:30PM I was in the back getting ready when my cell phone went off. It was Howie, then Dale called, then David Spier called all about the same time. They had told me the great news; it was very overwhelming to say the least. When I went on stage it was very gratifying to know 550 miles away that I had won. So it was a great night in Cin Ohio for me. So again thank you and I look forward to another great year with Ring 9.

My Very Best Wishes,
Ken Scott
