I'm excited! We are fast into 2003 and the club seems to be even more active than it was last year! We may have as many as NINE people performing for membership at the February meeting! With that in mind, don't forget that it is vitally important for us as a club to make our visitors feel welcome. When you see someone at the club that you do not know make sure you take a moment and greet them. Remember how you felt your first visit to the club? I have heard horror stories of visitors coming to the Georgia Magic Club and not returning for some years if at all because they were not made to feel welcome! I'm one of those people! I visited the club once when it was meeting at a different location and NO ONE said hello to me or even acknowledged my presence. I didn't come back for two years. Let's not let that happen to another visitor. Let's make a special effort to make them feel welcome!

On another note, CONGRATULATIONS to Rolando Santos for a fine article printed about him in a recent issue of the Atlanta Journal/Constitution.
