

UPDATED 5/15/2022

IBM Ring 9 Members & Guests,

As the pandemic evolves, we have found that the CDC continues to relax its mask guidelines. Therefore, we have re-evaluated our COVID protocols.

We will **NOT** track vaccination status going forward at this time. We will institute our “mask optional” policy for ALL in-person meeting and event attendees.

Please do not attend in-person if you are feeling sick.

VIRTUAL ATTENDEES

We plan to continue delivering a virtual broadcast for those who cannot join us in-person. Here are reasons to join via virtual participation...

- a. If you just can't make it to the in-person meeting for any reason
- b. If you are experiencing ANY symptoms of being sick, whether it is COVID-19 or not
- c. If you aren't comfortable being in-person at a gathering yet
- d. If you have tested positive for COVID-19 in the prior 10 days
- e. If you are aware of being exposed to COVID-19 in the last 10 days, whether you have symptoms or not

We ask that all our members and guests use their good judgment when deciding between in-person or virtual participation.

Thanks,
The IBM Ring 9 Board
